● WHAT DEFINES CZECH REPUBLIC

Castles and fortresses

ARCHITECTURE

Castles, fortresses and medieval towns are a feature of the Czech landscape. They reflect the ancient Kingdom of Bohemia and centuries of history, architecture and political power in Central Europe. A good example is Český Krumlov.

Alfons Mucha

PERSON

Alfons Maria Mucha was a painter and decorative artist, widely recognised as one of the leading figures of Art Nouveau. He was born in Ivančice, Moravia.

Ice hockey

SPORT

Ice hockey is a popular sport in the Czech Republic, with a rich history and tradition. The national team is one of the best in the world.

Glass craftsmanship

CULTURE

Czech glasswork, with centuries of tradition behind it, is renowned for its quality and innovative design. From delicate figurines to stunning chandeliers, Czech glass is truly dazzling.

Beer

CUISINE

Beer holds a special place in Czech culture, both because of the country's brewing tradition and its everyday presence in pubs, social gatherings and local life.

Black Light Theatre

CULTURE

Black Light Theatre is a Czech form of performing arts. It is characterised by darkness, lighting effects and black costumes.

● PLACES TO EXPLORE

Prague

1.197.765 pop.

Prague is a gem of a city situated on the banks of the Vltava River. Its rich history is reflected in landmarks such as Charles Bridge, Prague Castle and Old Town Square, which attract visitors from all over the world.

Brno

381.161 pop.

Brno is a city with a rich history and vibrant culture. It is renowned for its architecture, which blends medieval and modern styles. Among its main attractions are St Peter and St Paul's Cathedral, Špilberk Castle and Freedom Square.

Ostrava

282.300 pop.

Ostrava is a city with a rich industrial history, shaped by coal mining. Situated at the confluence of the Oder, Opava and Ostravice rivers, it offers a blend of varied landscapes and cultural attractions such as Lower Vítkovice, a former industrial complex that has been transformed into a cultural centre.

Telc

5.134 pop.

Telč is a historical gem where Renaissance architecture takes your breath away. Its square, surrounded by colourful houses with ornate gables, transports you back in time. As well as its beauty, Telč is situated in a region of lakes and landscapes that invite exploration, blending culture and nature.

● GEOGRAPHY OF CZECH REPUBLIC

The Giants' Mountains

The Giant Mountains form a majestic mountain range that captivates visitors with its imposing natural beauty. This geographically significant area is home to the country's highest peak, Sněžka, which rises to 1,603 metres above sea level. Its rich biodiversity and breathtaking landscapes attract visitors seeking adventure and tranquillity.

Cesky Raj

Český ráj, or Bohemian Paradise, is renowned for its unique rock formations. These structures, sculpted over millennia by erosion, display an astonishing variety of shapes and sizes. Their intricate sandstone labyrinths attract geologists and tourists alike, cementing Český ráj's status as a natural treasure of the Czech Republic.

Bohemia and Moravia

Bohemia and Moravia are historical regions that make up the Czech Republic, each covering roughly half of the country. The Bohemians, who originate from Bohemia in the west, and the Moravians, from Moravia in the east, are two ethnic groups with distinct identities, yet they share a common heritage and a close bond.
