One of Europe's most unique languages, belonging to the Uralic family. Its structure, vocabulary, and linguistic isolation reinforce a strong sense of its own identity.

Hungarian folklore

CULTURE

Music, dances, embroidery, and rural traditions preserve a very distinctive folk culture, passed down through generations and fundamental to Hungarian identity.

Hot springs

ARCHITECTURE

Thermal waters have been part of everyday Hungarian life for centuries. Budapest, built over numerous springs, is especially famous for its large bathhouses.

Magyar heritage

HISTORY

The Magyars came from the Eurasian steppes and built the country's historical identity. Horseback archery represents their warrior, equestrian, and nomadic tradition.

● PLACES TO EXPLORE

Budapest

1.609.260 pop.

The city's origins date back to the 1st century, but Budapest, as we know it today, came into being through the union of Buda, Obuda and Pest in 1873, when the first bridge over the Danube, the Chain Bridge, was built. Its rich history is reflected in monuments such as Buda Castle and the Parliament Building.

Debrecen

204.124 pop.

Debrecen, situated on the Eastern Great Plain of Hungary, is the country's second-largest city. It is known for its agricultural activity. It is notable for its Great Reformed Church, the city's landmark, and the Déri Museum, which houses a significant collection of local art and history.

Miskolc

172.637 pop.

Miskolc is situated in the north-east of the country, at the foot of the Bükk Mountains. It is renowned for its industrial heritage. It boasts thermal caves that are unique in Europe, and Diósgyőr Castle, a testament to the region's rich medieval heritage.

Hollóko

294 pop.

Holokő is a unique village in Hungary that will transport you back in time. Nestled in the Cserhát Mountains, this UNESCO World Heritage Site will charm you with its traditional houses and folk architecture. Explore its cobbled streets and discover the rich history and culture of this Hungarian gem!

● GEOGRAPHY OF HUNGARY

Great Hungarian Plain

The Great Hungarian Plain is a vast geographical expanse covering most of Hungary. Characterised by its flat terrain and fertile soil, it has historically been a vital agricultural centre. The csikós are traditional Hungarian horsemen and are native to these plains. Their skill and bond with their horses are widely admired.

Lake Balaton

Lake Balaton is a significant geographical feature of Hungary, often referred to as the "Hungarian Sea." It's Central Europe's largest freshwater lake, playing a vital role in tourism, recreation, and the country's natural landscape. Its shallow waters and sunny climate make it a popular summer destination for locals and international visitors alike.

The Danube

The Danube, a majestic river, flows through Hungary, shaping its geography and history. Its course divides the country, creating diverse and fertile landscapes. Budapest, the Hungarian capital, lies on the banks of the Danube, with its iconic bridges connecting Buda and Pest. The river has been vital to Hungary's trade, culture and development over the centuries.
